Guest Speaker

Dane J Genter, MD

Assistant Professor of Otolaryngology - Head and Neck Surgery at the Cleveland Clinic Lerner College of Medicine and a fellow of the American College of Surgeons.

Dane J. Genter, MD, FACS is a dual board-certified Facial Plastic and Reconstructive Surgeon and Otolaryngologist - Head and Neck Surgeon. Dr. Genter specializes exclusively in plastic surgery of the face, head, and neck and performs the full breadth of reconstructive, cosmetic, and functional procedures. He is an Assistant Professor of Otolaryngology - Head and Neck Surgery at the Cleveland Clinic Lerner College of Medicine and a fellow of the American College of Surgeons.

Hosted by

Amit Kochhar, MD

Facial Plastic & Reconstructive Surgery, Pacific Neuroscience Institute

Dr. Amit Kochhar, MD, is double board-certified in Otolaryngology, Head and Neck Surgery and Facial Plastic and Reconstructive Surgery. He is the director of the Facial Nerve Disorders Program at Pacific Eye, Ear & Skull Base Center, Pacific Neuroscience Institute, Providence Saint John's Health Center in Santa Monica. Dr. Kochhar is one of a few select surgeons who perform complex (microvascular) head and neck reconstruction following cancer resections and facial trauma, as well as for the rehabilitation of facial paralysis, an area in which he has specific clinical expertise and research interest.
