

YOU HAVE  
**PACIFIC  
NEUROSCIENCE  
INSTITUTE**

NOVEMBER - DECEMBER 2024 | Brain Matters

At Pacific Neuroscience Institute®, we're filled with gratitude for the incredible community that makes our work possible—our amazing providers, dedicated team members, valued partners, generous supporters, and most importantly, our extraordinary patients and their loved ones.

Together, we celebrate those who have been cured or are in remission, champion those courageously navigating life with illness, and honor the legacies of those we've lost. Every day, we're inspired to push the boundaries of medicine and research, transforming care and creating brighter futures. **You can be part of this meaningful journey—[support our mission with a gift today.](#)**

Wishing you a joyful holiday season and a new year brimming with health, happiness, and hope!
