

STROKE SUPPORT GROUP

Free education and support for patients and families

Join us as we help stroke survivors, their families and close friends cope with the aftermath of a stroke. This group provides information on stroke recovery, resources and a forum to learn new coping skills.

Support groups will be facilitated by stroke survivor Dana Rivera and chaplain Sam Scriven. Guest speakers will include physician specialists, nutrition experts and the rehab team at Providence Saint John's Health Center.

For more information, please contact:

Renee Ovando, stroke program manager,
at 310-582-7383, or email Renee.Ovando@providence.org.

Free meetings are held on the
first Friday of each month.
