

JUNE 2022

An Inside Look at PNI

A Center of Excellence Approach to Diagnosing Pituitary Disease

At PNI, we employ a team approach to the diagnosis of pituitary disease. This leads to quicker treatment and follow-up care. Discover the most notable advances in pituitary surgery over the last 20 years with **Daniel Kelly, MD**, and **Garni Barkhoudarian, MD**. Plus, follow the pituitary patient's journey from diagnosis to treatment with PNI's patient advocate, **Sharmyn McGraw**.

Brain Health Corner: Molly's Tips

"You've heard blueberries are good for your brain, but did you know that berries, as a group, average nearly 10 times more antioxidants than other fruits and vegetables? June is peak strawberry season, the perfect time to enjoy fresh organic berries! Or try a new berry from your local farmer's market: huckleberry, boysenberry, mulberry, and black raspberry are all nutritious options."

- **Molly Rapozo, MS, RDN, CD**, Dietician Nutritionist, and Brain Health Coach
