

# Life IN MOTION

A support group for patients and their loved ones whose lives have been affected by **PARKINSON'S DISEASE**

We understand that patients and their families need support in the fight against disease. Please join our Parkinson's disease support group led by knowledgeable medical professionals.

You will have opportunities to talk with other patients and hear from guest speakers, including health care team members, who can provide insight and information about navigating disease and symptoms.

#### Facilitators

##### **Melita Petrossian, MD**

Director, Pacific Movement Disorders Center  
[pacificneuro.org/petrossian](http://pacificneuro.org/petrossian)
