pacificneuro.org/barkhoudarian

Please join us for our collaborative pituitary patient support group meeting. Email your questions and we will ask our experts to join our conversation.

Please send your questions to: Sharmyn McGraw.
Pituitarybuddy@hotmail.com

We will answer as many questions as time allows. I'm proud to celebrate with all of you on our 20-year anniversary! My co-facilitator, Krystina Robinson, and I started the support group 20 years ago and it's still going strong! We all look forward to meeting in person soon, but until then, we can't wait to see you on Zoom!

Like Us on Facebook and see what PNI is up to.
