

# SPASMODIC TORTICOLLIS

## 2017 SOUTHERN CALIFORNIA REGIONAL CONFERENCE

### SATURDAY MARCH 25, 2017 | 9 AM

**For patients & their loved ones whose lives are affected by cervical dystonia**

We focus on issues and concerns when coping with ST. You will have the opportunity to talk, share your story, listen to others and learn.

The National Spasmodic Torticollis Association presents this informative annual conference.
